Subject: Cancellation of Surety Bond Number [REDACTED], Christensen Ready Mix, Fox Mine,
S/039/0034, San Pete County, Utah

Dear Sir or Madame:

The Utah Division of Oil, Gas and Mining (Division) received your letter dated April 22, 2015, regarding cancellation of surety bond number [REDACTED] in the amount of \$30,000.00 effective 90 days from the Division's receipt of your notice. The Division received the letter May 18, 2015; 90 days from that date is August 16, 2015. The mine operator, Christensen Ready Mix, Inc., is being advised that a replacement surety must be provided by July 17, 2015.

Under the terms of the above referenced surety bond, Great American Insurance Company remains liable for reclamation of the existing disturbance. If the surety is not replaced by July 17, 2015, the Division will immediately issue a cessation order to Christensen Ready Mix, Inc., and demand that it commence reclamation. Failure of Christensen Ready Mix to reclaim the mine within 30 days of issuance of the cessation order may result in the Division making demand on Great American Insurance Company to either proceed with reclamation or to pay to the Division the amount of the bond. If Great American Insurance Company fails to complete reclamation or make payment as requested, the Division may proceed to file a Request for Agency Action with the Board of Oil, Gas and Mining to seek forfeiture of the bond.

Please confirm that you remain responsible as surety for the reclamation of the existing disturbance. We also ask that you advise the Division immediately if there is any reason or if any conditions arise that may preclude you from continuing as surety for reclamation of the existing disturbance.
